Creative Strategies for Implementing the ELPS and Sheltered Instruction

BILLINGSLEY
education

Three Award-Winning Sessions & a Fabulous Buffet Lunch!

JOANNE BILLINGSLEY

is a dynamic presenter and award-winning teacher. She is acclaimed for her expertise in creating engaging, student-centered classrooms, that support deep language development and meet the needs of a wide range of students, including ELLs & special populations. Joanne is the author of **Making Words Real (2016)** & **Aim to Grow Your Brain (2009)**. A gifted and practical presenter, Joanne will share and model powerful NEW strategies proven to meet the needs of ELLs and diverse student learners.

1. Unleashing a Mindset of Achievement

Identify and explore how academic mindsets strongly influence academic performance. Develop an action plan for developing positive academic mindsets that dramatically boost ELL participation and success in academic settings. Eliminate that inner voice that whispers, "I can't learn a new language" and replace it with "I know I can do this!"

2. Object-Based Learning & Sheltered Instruction

Objects have the power to inspire, inform, motivate and educate. They can be used to acquire subject specific knowledge and develop transferable skills such as communication and teamwork. Discover a framework for using simple objects to build a language-rich, interactive classroom that dramatically increases student-to-student opportunities for listening, speaking, reading and writing using academic language.

3. Proven Vocabulary Strategies for Developing Academic Language Skills

Actively engage with strategies that effectively use imagery, gesturing, conversation, and word play as springboards to jumpstart conversations, enhance critical vocabulary, and develop reading and writing skills. Learn how to explicitly identify and teach academic language and build critical literacy skills.

THIS SEMINAR INCLUDES THREE AWARD-WINNING SESSIONS.

PLUS, attendees can select one of Joanne's INSPIRATIONAL books to take home!

Supporting ELLs & Diverse Student Learners
